

To Benefit International Ministries

A Second Thought Resale Shop is owned and operated by Heritage Christian Services, a thriving human services agency that supports more than 1,600 children and adults with developmental disabilities. Each year HCS sends teams of caregivers to Guatemala to offer people with disabilities spiritual support and physical care while modeling and teaching compassionate care to Guatemalan caregivers. Proceeds from A Second Thought help fund this mission.

You can become a part of this ministry through your donations and patronage. Volunteer opportunities are also available.

- Electronics and small appliances are plugged in and tested to ensure they are in working order.
- Items that are found to be broken or unsafe are dismantled and recycled instead of thrown away to decrease hazards and waste!
